Would you like your cattle freeze branded? YES NO

BVD TESTING REQUIRED
 Cattle must be tested and PI animals removed 30 days prior to entering feedlot. Send test results before the cattle arrive. We will refuse any cattle that have not been tested.

We always hope this doesn't happen to you; but we do occasionally lose animals. Necropsies should be done immediately to be most useful.

_____ Yes, call a vet to do a complete necropsy if one of my animals dies. I understand it will be added to my feedbill.

_____ No, I do not wish to have a necropsy done.

_____ Leave decision to Lucy's discretion if animal dies.

Are your bull(s) insured? YES NO

Bulls will be sharing a pen. Please clean up the ringworm before they come to the feedlot. It spreads like wildfire in a feedlot. Call for treatment suggestions.

_____ I agree to attend the sale, bring a stock trailer to the sale, and deliver bulls
Initial after the sale.

_____ I understand that selling bulls before the sale detracts from sale viability. I
Initial agree not to sell bulls in the 2 months prior to the sale in any manner that
devalues bulls sold in the sale.

_____ I agree to attend the seminar Saturday, March 10, 2018 and the sale on
Initial March 11, 2018.

_____ I agree to provide Snyder with 5 potential buyers names and addresses for
Initial each bull I enter in the test. (Return consignors that have previously met this
requirement are exempt.)

_____ I agree to send documentation and catalog materials by deadlines. I
Initial understand that if I fail to meet deadlines, Snyder can eliminate bulls from
sale and I will forfeit entry fees.

_____ I agree to guarantee my bulls sold through *Bulls for the 21st Century*

_____ I understand that it is my responsibility to bring buyers for my bulls to the
Initial sale. I will either do this via my own activities or I will participate in
functions organized by *Bulls for the 21st Century* designed for this purpose.

I agree to the rules and conditions for the 2018 *Bulls for the 21st Century* Sale.
