Date into feedlot: _____
Head Count: _____
Breed: _____
Association Member Number: _____

<u>Brand & Location</u>

BVD TESTING REQUIRED
Cattle must be tested and PI animals removed 30 days prior to entering feedlot.
Send test results before the cattle arrive.
We will refuse any cattle that have not been tested.

Please attach BVD results.

Bulls will be sharing a pen. Please clean up the ringworm before they come to the feedlot. **It spreads like wildfire in a feedlot.** Call for treatment suggestions.
